Description

Panoramic Relax Lodges is a rural complex located on the top of a hill with a breathtaking view of the Ragusa and Syracuse countryside and the sea on the horizon.

The entire complex is surrounded by 5 hectares of land with centuries-old olive and carob trees.

The property is made up of four independent houses. Each unit can accommodate up to 3 people and consists of: kitchen-living room with induction hob, refrigerator, TV and sofa bed, a double bedroom and a bathroom with shower.

Outside there is a veranda equipped with table and chairs where you can dine or have lunch outdoors, enjoying moments of relaxation and unforgettable sunsets.

The veranda overlooks the two swimming pools: the main one, larger, with a view of the surrounding countryside, while the second, smaller one, is ideal for children.

The owners also run a historic restaurant in the area where you can taste typical local dishes.
