A seaside villa with heated pool in Granelli

From the **private parking area**, a few steps lead to the villa's courtyard, entirely laid with decking and enhanced by rust-coloured details and low walls in local stone. The **swimming pool** takes centre stage in this outdoor space, surrounded by **sun loungers** and sofas where you can unwind with a good book or enjoy **a refreshing dip at any time of day**. The villa offers the option of a **heated pool**.

A barbecue and a **veranda with a dining table** complete the outdoor area, providing the perfect setting for meals in the open air.

Inside, Villa Lidia welcomes guests into a relaxed yet thoughtfully furnished setting, with warm shades of sand and terracotta complemented by sage green. Wooden and rattan furnishings create a pleasant atmosphere in keeping with the **laid-back spirit of a seaside holiday home**. The veranda leads to an entrance area with a small sofa, which in turn connects to the spacious, **well-equipped kitchen**.

Comfortable bedrooms for a relaxing seaside holiday

Villa Lidia has **two air-conditioned double bedrooms**, both accessed from the kitchen via a small hallway. A bathroom with a shower is located next to the kitchen, while a second shower bathroom is situated outdoors, near the **swimming pool**.

A villa near Granelli Beach

Granelli Beach is just a few minutes’ walk away. Its golden sand and shallow waters make it particularly suitable for **families with children**, offering a pleasant setting for relaxed days by the sea.

Nearby, you can also explore the beaches of **Porto Ulisse and Ciriga, as well as the Pantani Longarini wetlands**, an important natural area frequented by flamingos.
